World Broadcast Experience

Elenos is a world leader in manufacturing innovative, state-of-the-art FM transmitters. Our transmitters are widely acclaimed for their compact design, low energy consumption, and reliability. Their sound quality is excellent too.

We are a Global Company with offices and support facilities in Europe, North America and Asia and our FM transmitters are known worldwide for:

- 1) Having the highest RF and Audio performance in the market.
- 2) Incorporating "rich" product features.
- 3) Using state-of-the-art technologies in design and in manufacturing.

**With over 40,000 transmitters installed in more than 100 countries**, we have a wealth of experience and a huge customer base, supporting our mission of constant innovation.

## E-TRAINING SERVICE

Elenos presents a brand new E-Learning Platform, offering guidelines and instructions from installation to maintenance. Users can test their skills and attend live webinars for question and answer sessions with Elenos engineers.

- Audio and Video lessons
- SlideShows, Manuals, Datasheets
- Reserved technical bulletins
- Multiplatform (mobile or desktop)
- Social: chat and forum
- Live webinar with Elenos
- Skills verification with quizzes and tests
- Certified knowledge

## FM TRANSMITTER - FULL RANGE ONLY 3 MODULES: ENDLESS POSSIBILITIES

POWER RANGE

# 20 W to 2 kW - LOW POWER  
# 150 W to 500 W - LOW POWER - SOLAR RENEWABLE  
# 2.5 kW to 5 kW - MEDIUM POWER  
# 10 kW to 30 kW - HIGH POWER

2.5 kW to 5 kW  
4 RU

20 W to 2 kW  
150 W to 500 W  
2 RU

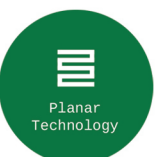

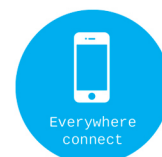

10 kW  
20/32 RU RACK

15 kW  
32 RU RACK

20 kW  
40 RU RACK

25 kW  
40 RU RACK

30 kW  
40 RU RACK

## DIGITAL FM

Indium family of integrated transmitters

ELENOS COMPLETED THE FAMILY OF INDIUM TRANSMITTERS WITH DIGITAL EXCITER, WITH A POWER RANGE WITHIN 20 W AND 2500 W. THE LOW POWER TRANSMITTERS ARE USED AS PILOTS FOR COMBINED AMPLIFIERS TO PRODUCE RF POWERS UP TO 60 KW.

New features are available: Single Frequency Network, RDS, automatic exchange between inputs modulation (including digital MPX, AES-EBU).
